We have reached the end of Semester One and final report cards for this term are included in this package of information. Congratulations to all who have found success and shown improvement this semester. For those students seeking greater improvement, we encourage you to take advantage of the supports at school and at home, and commit yourself to being the best student that you can be.

Semester Two is just beginning and we are already planning for next year. We will be starting the Course Selection process for next year on February 28th. The majority of the process is online; however, your child will be bringing information home to share with you.

February 28th is also the date of our student grad meeting. Students will receive an application to Graduate at this time and be reminded of the process and criteria necessary to participate in all aspects of our Graduation Mass, Exercises and Banquet. See the back of this page for other important dates.

Grad Photos sittings will take place at school from February 25 to March 1. Lifetouch is the supplier of our Grad Photos and they will have an online signup linked to our web page. We will notify students when the link is live. ALL graduating students must have their photo taken, even if there is a plan to work with a private photographer. The Lifetouch Grad Photos will be used for the yearbook and the composite photo that is displayed in the school.

Parent/Student/Teacher Interviews: March 21 & 22
We will be repeating last year’s schedule for Semester Two and scheduling the Thursday, March 21 interviews from 4:00 – 6:30 pm. Friday interviews will be from 1:00 – 3:30 pm. We are hopeful that this will be more convenient for families. The on-line Scheduler will open on Wednesday, March 6th.

School Fee Invoices have been included with this newsletter and report card. This is of particular importance to Grade 12 students wishing to graduate as their accounts must be settled before processing their Application to Graduate on February 28th. We are grateful to those who have paid or made arrangements to pay their fees and thank everyone for ensuring that their account is up-to-date as soon as possible.

Grade 8 Student and Parent Information
We will be welcoming Grade 8 students and their parents to Bethlehem next week. Grade 8 students from neighbourhood schools will be touring Bethlehem on the afternoon of February 7th.
Our Grade 8 Parent Information Night is on Thursday, February 7th.
The information presentation will begin at 7:00 pm and tours of the school will be available following the presentation at approximately 7:30 pm.

Please share this date with friends and neighbours with students in Grade 8 this year.

You can access this newsletter, student notices, and other information regarding the events around the school via:
