Parent information night

Are you thinking of supporting your child in enrolling at the Edwards School of Business?
Is your child already planning on attending Edwards?
We invite you to learn about our amazing Edwards Co-operative Education Program and study abroad opportunities.
Following a presentation on both programs, Edwards staff will be on-site to answer any questions you have.

Get to know Edwards

Co-operative education option
Your child can gain practical experience in their field of study with the Edwards Co-operative Education option, which includes pre-placement workshops and a paid eight-month work placement in third year of our degree program.

Study abroad
Your son or daughter can earn credit towards their degree while studying abroad for a term at one of our partner universities. Edwards offers funding to support students who study abroad.

Get a head start
Did you know high school students can take an online business course and receive dual credit for Introduction to Business 3OL and COMM 101.3: Introduction to Business? Find out more here: http://edwards.usask.ca/online/
