NEW NOTICES

General

The Yearbook club is planning to continue their construction of the 2019/2020 yearbook. (A noble and gracious gesture given our current situation.). They are requesting photos of students during the "quarantine era that would be used on the school photo website and/ or the Yearbook.

Any kind of photos to show how Bethlehem family members have survived through this event.

If you have any photos of yourself that you would be willing to share, please send them to me by email. Anything that shows how you taught, spent time with family, quarantined, kept safe, etc...

All photos will be posted on our school photo website:

Thanks for any help / consideration you can give to this!

God bless,

Mr. Buttinger

STUDENT SERVICES

SCHOLARSHIPS

Attention grade 11’s and 12’s: Summer Youth Internship is a go!
This unique program offers Grade 11 and 12 students an opportunity to participate in a 6-week paid internship in the trades or IT. Students can also earn 20 & 30 level Apprenticeship credits. In the past, some Grade 12 students have been asked to stay beyond the internship for continued employment and apprenticeship opportunities. May 26 is the deadline to apply. See info and the apply at saskatooniec.ca/syip/. ((20)
**Grade 12’s**
If we were physically at Bethlehem Ms. Puto and Mr. Boechler would be busy answering questions about......Next Year!  We can still have those conversations!  Get in touch with us: beboechler@gscs.ca or kputo@gscs.ca.  We can't wait to hear from you!  (20)

**Student Services is Open for Business**
These are new and challenging times but we are all in this together. Our Faith guides us, our hope drives us and our love sustains us. We in Student Services want you to connect with us if you have any questions or concerns (academics, post-secondary, graduation, etc.) or even if you just want to or need to talk. We will do our best to provide information and resources and answer your questions.

**Safety Work:**
In partnership with various workplace safety associations such as the Saskatchewan Construction Safety Association and WorkSafe Saskatchewan, the SIEC offers safety training certification to youth prior to entering the workplace. This includes industry recognized certifications in construction and tourism. (20)

- This is a great opportunity for students interested in the Summer Youth Internship Program or taking PAA courses
- Any costs for online certification will be funded through the SIEC once approved by Megan (megan@saskatooniec.ca)
- Training requests can be made through our website: www.saskatooniec.ca/safety
- This training looks great on resumé and helps make students more employable

**Myblueprint**
- be sure to check out your Myblueprint account to ensure you are ready for next year! If you select 'high school' from the menu you can see all or your completed courses and enter future courses to see what kind of programs you would qualify for!
- this could be a good time to complete some 'Who Am I'surveys, create the perfect resume, learn about budgeting....and more!
- contact Mr. Boechler (beboechler@gscs.ca) or Ms. Puto (kputo@gscs.ca) for any questions or help logging in. (20)

**News for Prospective Students**
On behalf of the **University of Saskatchewan (USask)**, we hope both you and your students are doing well during these challenging times.

USask will be offering full-time programming in all colleges for Fall Term 2020. We are currently determining how classes will be delivered, whether in-person or through remote delivery (e.g. online). An official decision is expected in mid-May and will be communicated to you and your students as soon as possible.

If you have any questions we can help with, we encourage you to contact us at admissions@usask.ca or (+1) 306-966-5788. (21)

**Admission deadlines**
Many programs at USask are still accepting applications. These are the deadlines to apply to begin studies in Fall 2020.

- **Agriculture and Bioresources** is **June 1**
- **Edwards School of Business** is **June 1**
- **Engineering** is **June 1**
- **Arts and Science** is **June 1** for international applicants and **August 15*** for Canadian citizens and permanent residents

*Applicants are encouraged to apply early since class registration opens in June.
COVID-19 Advice for Public

- Wash your hands frequently
- Regularly and thoroughly clean your hands with an alcohol-based hand rub or wash them with soap and water.
- Maintain social distancing
- Maintain at least 1 metre (3 feet) distance between yourself and anyone who is coughing or sneezing.
- Avoid touching eyes, nose and mouth
- Hands touch many surfaces and can pick up viruses. Once contaminated, hands can transfer the virus to your eyes, nose or mouth. From there, the virus can enter your body and can make you sick.
- Practice respiratory hygiene
- Make sure you, and the people around you, follow good respiratory hygiene. This means covering your mouth and nose with your bent elbow or tissue when you cough or sneeze. Then dispose of the used tissue immediately.
- If you have fever, cough and difficulty breathing, seek medical care early
- Stay home if you feel unwell. If you have a fever, cough and difficulty breathing, call the HealthLine at 811 and follow their recommendations.
