* Career Info/Scholarships…

**University of Regina – Exploring Social Work:** Are you interested in Social Work? This information session is geared toward students who are exploring the option of completing a degree in Social Work; the degree can be completed in Saskatoon. Pre-registration is not required. The presentation takes place on: **Wednesday, November 13; 3:30pm – 4:30pm; Room 111.13 Boardroom, Concourse Building, 116 Research Drive, Saskatoon.**

**See Your Future Education & Career Fair:** for Grade 11 and Grade 12 students. The event is presented in a high quality trade show approach with interactive display booths. The universities, colleges and organizations with in-house training bring expertise and innovation in a variety of fields. Students are provided with in-depth information in the form of literature, technological demonstrations, seminar presentations and one-on-one consultations. This allows students to ask important questions about life after high school ... Where will I study? Where will I live? What scholarships are available? What program do I require to get the job I want? These questions - and more - will be answered by professional representatives. This event takes place **Monday, November 4 @ TCU Place from 9:45am – 3pm.** We suggest 2 hours is plenty of time to explore what is there. You should be cleared by parents/guardians for the time you attend.

**The SIEC Masonry Skills Bootcamp**

Are you looking for a hands-on career? The SIEC Masonry Skills Bootcamp offers students the opportunity to gain knowledge into the bricklaying trade. 100% hands-on learning, learning from industry professionals and a chance to get a head start on a career with endless possibilities. If you are thinking about a career in the trades, don’t miss out on this opportunity. **Applications are in student Services..Application deadline:** Tuesday, November 5, 2019.
Grade 12 students: If you are planning on attending a post-secondary institution in the United States, you may need to write the SAT. Dates/times of exams are posted in Student Services. For complete information on types of exams and registering, go to www.sat.org/start

Forum for Young Canadians is Canada’s premier civics education program for students aged 15-19 years old. Come to Ottawa and spend a week on Capitol Hill! You’ll get the chance to talk politics and meet politicians and members of the national media. To apply, follow the link below and fill out the application form. Spots will fill up quickly! Visit www.forum.ca for all information. Deadline is November 30th, 2019

University of Guelph National Scholarship Program ($42,000): this competition offers scholarships valued at $42,000 each and includes a research assistantship position and mentorship by one of Guelph’s leading professors. These scholarships reward top students from across the nation and recognize academic excellence, innovation, community and school engagement, and leadership. Students must achieve a minimum 90% admission average to apply. Deadline for applications is January 27, 2020. For more information and the on-line application, go to www.admission.uoguelph.ca/topscholarships

Schulich Leader Scholarships ($80,000 – $100,000): A Schulich Leader is a student who has been selected by a partner university to receive $100,000 (Engineering) or $80,000 (Science, Technology, Mathematics) to pursue an undergraduate degree in STEM (Science, Technology, Engineering or Mathematics). In addition to this large financial award, students join an elite network and receive many ongoing benefits. In order to be considered by a university for Schulich Leader, a student must be nominated by their high school. Please see Student Services for more information and/or applications to become this school’s Schulich Leader Nominee. Deadline date for applications is Friday, December 13, 2019.
Grade 12 students – TD scholarships for Community Leadership (up to $70,000): These scholarships are awarded to students across Canada who have shown exceptional initiative in making a meaningful and lasting difference in their community. Each scholarship includes four years of tuition at any approved university or college in Canada, up to a maximum of $10,000 per year, plus $7,500 per year towards living expenses. The focus of these scholarships is not primarily on rewarding the highest marks, the key criterion is outstanding community leadership. It’s not just about students’ marks in the classroom, but rather the marks they are making on their community. Application deadline is November 15, 2019. For more information and the on-line application, go to www.td.com/scholarships

Canadian Women in Municipal Government Scholarship: FCM's (Federation of Canadian Municipalities) scholarship program for secondary school students includes five awards of $1000 each. One scholarship is awarded in each of the five regions of Canada (British Columbia, the Prairies and Territories, Ontario, Quebec and Atlantic Canada). The scholarship is open to female students enrolled in any year of study in secondary school and who are contributing to their school's leadership team or student council. Deadline January 10th, 2020. Application requires a short video, answers to a few questions about the student’s leadership involvement and two references. For more information and application, go to: https://fcm.ca/en/about-fcm/awards/canadian-women-in-municipal-government-scholarship

Indspire’s Building Brighter Futures: Bursaries, Scholarships and Awards: Since 2004, Indspire has provided over $115 million in financial support to more than 37,500 First Nations, Inuit and Métis students. For the full list of scholarships, bursaries and awards as well as the applications, go to https://indspire.ca/programs/students/bursaries-scholarships/
SHAD Canada: is a STEAM (science, technology, engineering, arts, math) and entrepreneurship program for students in grades 10 and 11. It takes place during the month of July; students will live in residence at one of the host university campuses. Shad Canada’s program attracts students with high aptitudes for risk taking, curiosity, excellence and resilience, and prepares them to take on social and economic challenges. The month-long program includes a real-world design challenge that asks students to work on issues such as food security, water management and waste. For more information and to apply, go to https://www.shad.ca/

Spotlight on Therapies

This is a series of tours to business and educational institutions where students, in grades 11 and 12, gain exposure to a multitude of career opportunities.

Deadline for Applications: Wednesday November 13, 2019

Applications are in Student Services

Do you have questions about engineering? Join us for "What is Engineering?" Friday, November 15, 2019; 9 am–3:30 pm; University of Saskatchewan, Saskatoon campus.

At this event, students will learn what an engineer does, why engineering is about more than math and science and why employers want to hire USask engineers. At "What is Engineering?" students will experience: hands-on activities, discussions with engineering students, current engineers, and our professors, a building tour and a sample engineering lecture from an award-winning professor. To learn more and to register, go to https://engineering.usask.ca/events-calendar/2019/11/what-is-engineering-2019.php
**Bold Eagle:**  This unique summer training program combines Indigenous culture and teachings with military training, that will help you develop valuable skills such as self-confidence, self-discipline, teamwork, time management, respect and fitness. The six-week program is conducted from early July to late August each year. During this time, you are enrolled as a member of the Canadian Armed Forces (CAF). Upon completion of the program, you can choose to remain in the CAF (as a Regular Force member, a Reserve Force member or a Canadian Ranger) or to be released from service. During the program, we will provide you with: meals and accommodation; military clothing and equipment to use during the training; transportation from home to the training location and back home; and approximately $4,200 in salary. Are you up for the Bold Eagle challenge? The first step is finding out if you are eligible. **To be eligible for the Bold Eagle program,** you must: be First Nation, Métis or Inuit (status not required); be 16 years of age or older; have completed Grade 10; be a Canadian citizen. **Please sign up in Student Services if you are interested in applying or finding out more about this program.**

**Grade 12 students:**  if you are thinking about going to the University of Regina, please **sign up in Student Services** to find out more about programs, scholarships and applications.
