Notes from your administrators...

Христос Воскрес! Khrystos Voskres! Christ is Risen! (Gregorian calendar)
Слава Ісусу Христу! Slava Isusu Khrystu! Glory to Jesus Christ! (Julian calendar)

Yesterday was Administrative Professionals' Day! We would like to take this opportunity to thank pani Sonia for her amazing work and dedication to our school. She is a cornerstone of Bishop Filevich and she knows we would all be helpless without her!

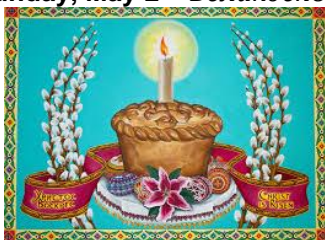

Today is Earth Day and our students did their part in making our world a better place by cleaning up the playground yesterday. Thanks to panna Shannia who ensured that all staff and students had gloves and garbage bags. Each class cleaned their playground zone and now the park looks beautiful! This was also an excellent chance to get outside and enjoy the wonderful sunshine!

The Bishop Filevich Goals Steering Committee presented to the GSCS Board of Trustees on Monday about the work they have done over the past year. This committee was formed in January 2020 to gather information that would help the Board decide if our original goals from 1979 are still beneficial for the program 40 years later. The committee will be presenting their findings as well as the direction given by the Board to the CSCC at their next meeting. From there, a plan will be developed to ensure that the Ukrainian bilingual program will continue to thrive!
