Notes from your administrators...

Слава Ісусу Христу! Slava Isusu Khrystu! Glory to Jesus Christ!

We are pleased to announce that we will be hosting a **Kindergarten Virtual Open House on April 22nd at 7pm!** Pani Mariia will be showing off her classroom and giving prospective parents a chance to ask questions about the program. Please tell your friends! Parents can call the school to register for this event. (306-659-7230) A Zoom link will be sent shortly before April 22nd.

These last few weeks have been busy with classes writing pysanky and learning about symbols and colours on the eggs. Thank you for sending eggs to school for your children to participate in this beautiful tradition. We hope you enjoy them in your Easter baskets as much as the students enjoyed making them.

Our school division has asked parents to remain vigilant in the screening of your children for symptoms of Covid19. As we know, the variants of concern are on the rise. Even with the nicer weather, we need to make sure we are following all our protocols. **Please do not send your children to school if they are experiencing any symptoms.** At the end of this newsletter, we have included the Screening Questionnaire for your convenience.

We hope everyone has a restful long weekend and that our students have a safe and relaxing break next week! We are back on April 12th and look forward to seeing our students then! For those of you who are following the Gregorian calendar, we wish you a Joyous Easter! May you and your family be blessed as you celebrate the true meaning of Easter, from the reflection of Good Friday to the joy of Easter Sunday and the promise of eternal life.
