Notes from your administrators...

It is Teacher Appreciation Week! We would like to take the opportunity to thank our staff who reacted with professionalism, compassion and incredible flexibility in creating a brand-new online learning experience for our students. While we recognize that this is teaching during a time of crisis, and cannot possibly exactly replicate the learning that takes place in classrooms, we were amazed by the ability of our staff to quickly put new plans in place, in the hopes of helping our students find success! We are so very blessed to work with this dedicated group.

It is that time of year when we begin planning for the new school year. Kindergarten registrations are accepted any time! We understand this is an uncertain time but knowing which little learners will be coming to Bishop Filevich School next year will help us prepare. You can click the link above for our school website if you haven’t yet registered your child for Kindergarten. There is a fillable registration form that can easily be emailed to the school. We have also posted on Facebook and hope to advertise in our parishes and around the city soon. If you have any friends with Kindergarten-aged children (5 years old as of January 31, 2021), please encourage them to consider Bishop Filevich! We hope to have a Kindergarten Open House (virtually) in the next month or so, but it may look a lot different compared to other years. Stay tuned!

In light of recent school closures, we have noticed that some students still have possessions here at the school. In the interest of keeping our classrooms sanitary and safe, we have been clearing out student cubbies and desks this week. Any student possessions still at the school are bagged, labelled and safely stored during this process. Students and families will be contacted at a later date to arrange pick up of these items. At that time, students can also drop off textbooks, library books, and possibly band instruments that they still have at home. Please look for communication around this by the beginning of June or so.

Finally, based on the success of our last Spirit Day, we would like to try another one! This time, we are doing Sidewalk Chalk Art. Please invite your children to draw with chalk on the sidewalk, take a picture of it (your child can be in the picture too), and email it to slord@gscs.ca. Please send the pictures by Wednesday, May 13 at noon. We look forward to seeing our students’ creativity!

If you have any questions or concerns, please contact paní Shelly (slord@gscs.ca) or paní Stacia (shorbayugalde@gscs.ca).

Stay healthy and stay safe! Remember, every day is a new chance to spread love and kindness! As we say every day at school - "...so, to everyone at Bishop Filevich School.... бажаємо всім гарного дня!"

Igniting Hope Catholic Education Week 2020

Each year, Catholic schools in Saskatchewan participate in a week-long celebration to remember and share the gift of Catholic Education. This year we will be taking time each day, with students and staff all across our province, to pray together as disciples who are Igniting Hope.

Heavenly Father,
during this special week dedicated to Catholic Education, we thank you for the gift of Catholic Schools. May your Holy Spirit open our hearts to hope as we proclaim your love and goodness to our families, our school communities, and to the entire world. We ask this in the name of our Saviour and Teacher, Jesus Christ. Amen.

Each day has a sub theme:

- Monday - Our Hope in Christ
- Tuesday - The Hope Within Us
- Wednesday - The Hope Among Us
- Thursday - Hope for the World
- Friday - A Future Full of Hope

On Thursday, May 21, 2020, World Catholic Education Day, a liturgy led by Archbishop Donald Bolen will be livestreamed at 11:00am. The event will be recorded and available for viewing at any time. Let’s continue the rich tradition of joining with our neighbours & friends across the province to celebrate Catholic Education in Saskatchewan.

Welcome to Kindergarten!
