University of Saskatchewan and University of Regina's mentorship project
The University of Saskatchewan and University of Regina announces a new mentorship opportunity. As a project, mentorship will occur during the months of October-December 2016. The intention is to match university students with high school students through mentorship. The project will also enable students the opportunity to help place together a ‘Christmas Family Fun’ event while building upon skills of leadership. Mentorship will provide both mentee and mentor an opportunity to learn from each other while giving back to the community of Saskatoon.
There are limited spaces. If you would like to be nominated by Holy Cross please submit full name and a brief description of why you would like to receive nomination no later than Mon., Oct. 24 to Student Services.
