Dear Students and Parents/Guardians:

We hope that you are keeping healthy and happy and want you to know that St. Joseph High School Student Services is available to support you!

By now you've been contacted by your teachers regarding your classes. We hope you'll continue to engage in learning and stay connected to your classmates and teachers.

For those of you in Grade 12, please know we are here to support you and will continue to provide any updates necessary regarding credits, scholarships and graduation requirements. Your GSCS email will be utilized to pass along information.

**Students, remember to check your SCHOOL EMAIL regularly (access through GSCS portal or Outlook App) as that is how information is disseminated from your teachers, counsellors and administrators.** Your log-on information is the same as on school computers; your username is your student number followed by @gscs.ca (ex. 12345@gscs.ca ) and your password is the one you use to get on to school computers. If you have difficulty accessing your school email, please send a message to Mrs. Rawlyk at srawlyk@gscs.ca

We know this is a challenging time for all, we have a GSCS support line if you need to talk to someone. The GSCS support line operates during school hours. The number is 306-659-7555.
