Prayer candles in the chapel during exams: The chapel will be open each exam day just after 8:00 a.m for prayer and the lighting of prayer candles. Stop in, light a candle, sit for a minute or two or even more to pray for your exam, and when you leave to go write, know that continued prayer will be with you.

Driver's Ed Drives: Students who have drives to do with driving instructor Barry: If you want to drive next week at a time when not writing or preparing for a test, write your name in one of the empty spaces on next week's schedule. Note: Make sure you have that time available and that going for a drive will not interfere with a text or test-prep. The opportunity to put your name on the schedule for the next week will end Friday this week.

Do you love to write? Check out the **free teen writing workshop** offered this summer. See the poster on the wall beside the library.
