MEET OUR STAFF / WELCOME BACK BBQ

- On Thursday, September 12th Bishop Klein had their annual Welcome Back BBQ and meet the staff evening. Thank you to all of our staff for coming out and doing such a great job cooking and preparing the evening for our community. It was great to see so many of our families and students introducing their parents to our staff.
- Congratulations to all of our students who won various books, kites, and sports equipment. A special shout out to Aila M. in Gr. 1! Aila won the generous donation of BOSE wireless headphones.
- Bishop Klein Community School would like to thank Maple Leaf Foods for their generous donation of smokies and hot dogs for our BBQ. Our school really appreciates the continued support.

NUTRITION PROGRAM

- Bishop Klein runs a Child Hunger Education Program. Children who come to school without breakfast or a lunch may access this program. Please remember that this program is to be used only when no other arrangements can be made. We understand that families have emergencies from time to time and need this program but because of limited funding, we hope that it is only used when absolutely necessary.

What are Catholic school community councils?

Catholic School Community Councils are an opportunity for parents and community members to become involved and work closely with the staff and students of Bishop Klein Community School.

A member of a Catholic school community council is someone who:

- understands their community
- provides advice on school programs
- works well with other groups, focusing on the learning needs and well-being of students
- is interested in becoming involved in any capacity at Bishop Klein School.

Our Catholic School Community Council presently has positions open. We meet once a month and your input and commitment would be valued.

Please consider signing up or nominating individuals for positions.

Stop by or contact the office at 659-7150 for more information or to become a member
