Gospel Virtue of the month….LOVE

"May the Lord make your love overflow to each other and to everyone else, just as our love overflows toward you".  
- 1 Thessalonians: 3

Making your love and respect overflow is all about going the extra distance, helping just a little better. Sometimes God will speak to you about it in your heart; most of the time he won’t. It’s a matter of excellence, kindness and faithfulness. When you make your love and respect for others overflow, God sees what we do with pleasure in his heart. He knows we’re learning to be the kind of people he wants for his kingdom.

NOTES FROM THE ADMIN TEAM:

Well, online learning is continuing and our Leger team is working very hard to make sure your children are engaged and learning during this time. If you have any questions or concerns or you need help on how to access learning, please do not hesitate to call your child’s teacher or myself at 306 227-6665. We will do everything we can to ensure your child has access to their learning and to connect with other students from their classroom! Thank you to all of our families and students who continue to work hard at their studies! LÉGER ROCKS!

We hope all the mothers and those who are mother figures in our lives had a wonderful day!

As we do every year, we are asking families to pre-register for Fall 2020. You will need to indicate if you will be returning to Cardinal Leger in the fall. Please see the section below and the link to follow to go through the online pre-registration process. Thank you!

Catholic Education Week begins next week. – May 17 - 24th. The theme this year is … “Igniting Hope”. Please see more information in the newsletter.

Stay well everyone!

- Wanda Spooner

**Student School Supplies**

In light of recent school closures, we have noticed that some students still have possessions here at the school. We would like to arrange a time for these items to be picked up so that a thorough school cleanup can be completed. Also, if you have any school resources, such as textbooks, guide reading or take home reading resources, library books or school owned band instruments, this is an opportunity for you to drop these items off.

Please note, although face to face teaching and learning has been cancelled for the rest of the school year, we will continue to teach and work with our students online through our supplementary learning plan.

We ask that families consider the following questions before making plans to pick up your items:

1. Has anyone in your home returned from travel outside of Canada within the last 14 days?
2. Have you been exposed to anyone who is under investigation for COVID-19 or has been confirmed as having COVID-19 within the last 14 days?

If you have answered "Yes" to either of these questions, we ask that you do not come to the school for pick-up. Please contact the school to arrange delivery.

If you are unable to pick up your items due to other circumstances, we ask that you similarly contact the Principal at 306 227 6665 to make alternative arrangements.

Please note the below pick-up schedule, based on last name. In order to ensure that we remain diligent with respect to social distancing, you may be asked to wait outside of the school for a short period of time. We do not anticipate a significant delay, as the process should be reasonably quick.

- **A-H** pick-up on Tuesday May 19, 2020 between 1-3 PM
- **I-P** pick-up on Wednesday May 20, 2020 between 1-3 PM
- **Q-Z** pick-up on Thursday May 21, 2020 between 1-3 PM

When arriving for your pick-up, please use the front entrance. We are reminding everyone that at the time of arrival, we must ensure to keep a 6ft distance from all staff and community members. These are proactive measures to keep everyone safe and healthy, preventing the potential spread of COVID-19.
