Prayer to End the School Year
God of wisdom, we thank you for all the gifts you have given us throughout this school year. We praise you for giving us life, for saving us in Christ and for choosing us to be your people. As we come to the end of this school year, we voice our gratitude for the good things you have done in us, and we praise you for all who have shared in our work at Father Robinson School. Bless all students, staff and their families this summer. Give them refreshment and peace, keep all families safe and healthy. We praise you, we thank you, and we honor you. Amen.

- **Communication**: As you are aware, communication has been critical yet more difficult during this time of distance learning. Our website/newsletter has been vital in keeping the home and school connected. **We invite all families to go to the announcement section of our website to view a special video from the staff.** We want to encourage everyone to continue to be bucket fillers throughout the summer and we look forward to seeing you all again soon. Please also check out the GSCS website for update division info. Thank you again to all students and parents for their efforts in the supplemental learning.

- **School Start**: We will again be offering Schools Start online school supply orders. Supply lists are available for online ordering. You will find the supply lists on our website. The school will be purchasing day planners for all student so please do not purchase one for your child.

Farewell and congratulations Mrs. Dziendzielowski.
