Thank you to all parents and guardians for your continued efforts in your children’s distance learning. As we all continue to follow the specific guidelines and parameters put in place by the Saskatchewan Government, we recognize the many challenges you have faced in supporting your children and their education. With one full month of school remaining, we continue to encourage all students to participate in as many of the activities and lessons as possible. If there are any concerns or questions please email your child’s teacher immediately for clarity. Thank you for all of your support as we work together to ensure all students continue to grow academically during these unprecedented times. Keeping up with reading, writing and math daily will ensure a smoother transition back to school next year. Kudos to you all for your dedication to learning, congratulations students who are working as hard as they can in their Google Classrooms.

Kudos to our amazing Catholic School Community Council for their continued efforts. Congratulations on meeting your fundraising goals for this year. Please read the CSCC section below for further updates and for information on how to order a 2019-2020 school yearbook. Please note the only way to order a yearbook is online as indicated in the CSCC section of this newsletter. Thank you to Leanne Duncan (parent) for her efforts with the yearbook, this tradition is appreciated by our school community.

As always, if you have a specific concern (such as parents of twins wishing their children to remain together in the same classroom) please email Mrs. McLean at smclean@gscs.ca with your specific request by June 15th. No promises are made regarding requests except that all will be reviewed and considered.

School Supplies-The school will be purchasing day planners for all students as having consistency in this area is important so that all students are organized and as successful as possible. This was a recent decision and the planners will be one less item for families to purchase. We will again be offering Schools Start online school supply orders. Supply lists will be available for online ordering next week. This is optional but might be a preferred option instead of school supply shopping in stores as the supplies get delivered directly to your door.
