Greater Saskatoon Catholic Schools Password Self-Help
You will need your access information provided by the Greater Saskatoon Catholic School board. Please search your emails for noreply@gscs.ca for your access information.

The GSCS offers a self-help tool to reset your password. In order to take advantage of the password reset tool you must register for it. To register:

1. Open a web browser and navigate to https://password.gscs.ca
2. Click on Enroll:
   ![Enroll Button]
3. Log in using the username and password that was provided to you via email. (Please search your emails for the email sent from noreply@gscs.ca for your access information.) Then click Next.
4. You will be prompted to choose two security questions and create answers for them.
5. Finally you will be prompted to create a custom question and answer of your own.
6. Remember to click Next on each screen, and finally to click the OK button when done to complete the enrollment process.

It is important to remember the answers you provided. In order to reset your password in future you will need to enter the answers to these questions exactly as you typed them.

Using the Password Self-Help Tool
Once you have enrolled there are a few ways you can access this tool:

1. If you remember your password and just wish to change it, you can do so by clicking on the Reset My Password tile within your GSCS Portal, found at https://portal.gscs.ca.
2. If you have forgotten your password, click on the Forgot password? link on the Portal login page. Once in the reset tool, click on Forgot my password and follow the prompts.
3. If you want to reset your password, click on the Change password link on the Portal login page. Once in the reset tool, click on Change password and follow the prompts.

Certain applications provided for you have an “I forgot my password” link on the login page. You can also use this link to access the reset tool.
